## **Personal Background - Who I Am**

**I'm from Nice, France, and I came to the University of Nevada, Reno after being recruited for the men's tennis team. Tennis has been my passion since I was young, and it's a big part of who I am. Outside of sports, I enjoy listening to French rap, spending time with friends, and watching movies and my favorite one is Top Gun. My goal is to succeed in tennis, but I also aspire to build a strong career in finance.**
